

## Covid 19 Measures

We have really missed you during lockdown however we have been busy working hard to ensure that when we re-open the doors to our pub it is safe to do so.

Our priority is to ensure that our staff and customers safety is at the forefront of our operation, it is also important to us that we deliver a welcoming experience to all our customers and that you enjoy your visit to your local pub, as you always have done.

We have carefully placed our furniture to adhere to social distancing, installing screens where needed and introducing disposable menus, hand sanitiser stations, clearly marked entrance and exits.

When you do visit things may be a little different but you will still enjoy the same welcome and freshly prepared food , our beautiful terrace is also open to enjoy outside dining.

We look forward to welcoming you through our doors again soon
